

# ANGIODYNAMICS®

February 14, 2012

Dear Doctor,

AngioDynamics is pleased to invite you to attend one of our NanoKnife Workshop scheduled on 23<sup>rd</sup> of February, 15/ 22 March or 12/ 19 April 2012, at Imperial College London – Hammersmith Hospital Campus, Neptune Building, Room 117, Du Cane Road, London W12 OHS, United Kingdom.

The objective of the workshop is to present some further information on our unique and innovative irreversible electroporation device NanoKnife® and to observe a live patient case conducted by Professor Edward Leen, Professor of Radiology.

Please find a detailed agenda and should you have any queries please do not hesitate to contact us.

Sincerely,

Ignasi Vivas

Divisional Vice-President Oncology International
